

A LETTER TO GOD ABOUT HIV/AIDS

By Sophia Paul

God first and most you come first in my life. Thank you God for your mercies and blessing each day.

God I Sophia Muthoni living with HIV/AIDS for the last 21 yrs, a mother and a grad mum I give you praise, for my 22yrs daughter Regina and 2 yrs old Israel grand son. I have faith I will see my great grandchildren.

God my cry to you I that change the world, so that we living with HIV/AIDS may be able to live, educate our children, be able to pay rent, with this money which is availed to us from all corners of the world, might God remove greed from our fellow brothers and sisters, live in high classes have properties beyond belief, drive posh cars, their children are taken to the most expensive schools here and abroad, as they sleep in posh hotel rooms with warm water, while we wash with cold water and in the morning we all seem has one while we are used beyond explanation, God have mercy on us, provide for us, some of us are still prostitutes as we have to pay rent, educate our children, mighty God forgive us. Touch the hearts of these human beings so that this money helps all of us in all corners of the world. Make a way God where there seems to be no way.

Lord we thank you for this orphans left behind by their beloved fathers and mothers, we all thank you for the relatives that are taking care of this beautiful orphans in this world of HIV/AIDS, mighty God we ask for your assistance to this wonderful children who are very bright and willing to further their education to the higher levels in society.

God touch the hearts of many so that they can either adopt or sponsor this children here or abroad as they would treat their own.

Remove trauma, sickness, stigma, in our society has lord we all belong to you whether white or black we are all your children.

Lord give strength to widowers, widows, grandfathers, grandmothers, foster parents to have enough finance to assist us we are also crying out to the religious sectors to give a helping hand God you are not a man that you will lie thank you for opening the gates of heaven for all of us we love you God you shall always be number one in our lives.
